

The background is white with several decorative elements. In the top-left corner, there is a large teal circle with a white center, a smaller solid teal circle to its right, and a dashed teal circle to its left. In the top-right corner, there is a large lime green circle, a smaller solid lime green circle to its right, and a dashed lime green circle to its left. In the bottom-left corner, there is a large green circle with a white center, a smaller solid green circle to its right, and a dashed green circle to its left. In the bottom-right corner, there is a large yellow circle, a smaller solid yellow circle to its right, and a dashed yellow circle to its left. A large, faint dashed circle is centered on the page, passing behind the text.

Docker para desenvolvedores Ruby on Rails

A decorative graphic consisting of various colored circles (blue, green, yellow, orange, red, pink) and dashed lines arranged in a circular pattern around the central text.

Docker CLI

A decorative graphic consisting of a large, light blue dashed circle that frames the central text. Various colored circles (blue, green, yellow, orange, red, pink) are scattered around the perimeter of the dashed circle, some solid and some hollow.

Docker CLI

<https://docs.docker.com/engine/reference/commandline/cli/>

A decorative graphic consisting of a large, light blue dashed circle that frames the central text. Various colored circles (solid and hollow) in shades of teal, yellow, green, and orange are scattered around the perimeter of the dashed circle.

Sintaxe dos comandos

`docker <command> <sub command> (options)`

Lista possíveis comandos

docker

A decorative graphic consisting of a large, light blue dashed circle that frames the central text. Various colored circles (blue, green, yellow, orange, red, pink) are scattered around the perimeter of the dashed circle, some solid and some hollow.

Versão do cliente e do server

`docker version`

A decorative graphic consisting of various colored circles (blue, green, yellow, orange, red, pink) and dashed lines arranged in a circular pattern around the central text.

Configurações diversas

`docker info`

Rodar um container

```
docker container run <image>  
docker run <image>
```

A decorative graphic consisting of various colored circles (blue, green, yellow, orange, red, pink) and dashed lines arranged in a circular pattern around the central text.

Rodar um container em background

```
docker container run --detach <image>
```

A decorative graphic consisting of a large, light blue dashed circle that frames the central text. Various colored circles (blue, green, yellow, orange, red, pink) are scattered around the perimeter of the dashed circle, some solid and some hollow.

Mostrar containers em execução

```
docker container ls
```

Parar um container

```
docker container stop <uuid>
```

A decorative graphic consisting of various colored circles (blue, green, yellow, orange, red, pink) and dashed lines arranged in a circular pattern around the central text.

Listar todos os containers

```
docker container ls -a
```

*observe os nomes randômicos

Para indicar um nome ao container use a opção --name

```
docker container run --publish 8080:80 --detach --name  
webserver nginx
```

A decorative graphic consisting of a large, light blue dashed circle that frames the central text. Various colored circles (blue, green, yellow, orange, red, pink) are scattered around the perimeter of the dashed circle, some solid and some hollow.

Mostrar todos os comandos para containers

```
docker container --help
```

Apagar container

```
docker container rm 98e
```

Ou

```
docker container rm 98e 904 23d
```
